

## Confirmation of Business collaboration and Product Quality

Otelfingen, Switzerland 02.07.2010

Herby do we confirm the Business collaboration between CTC-Giersch AG, Switzerland and Trebema AB, Sweden.

We have been selling your products since 1998; the failure per cent has been very low.

We are very satisfied with the products, especially regarding the reliability they have.

Since the market demand such a solution, and that you offer us good and reliable products, will we continue to be your customer.
