Condizioni generali di vendita

Le presenti condizioni generali disciplinano tutti gli attuali e futuri contratti fra le parti, salvo eventuali deroghe concordate per iscritto. Eventuali condizioni generali del compratore non troveranno applicazione nei rapporti futuri tra le parti se non espressamente accettate per iscritto dalla Mario Bongio srl.

1. Formazione del contratto

L'invio da parte del compratore di un ordine al venditore comporta l'applicazione al contratto di vendita delle presenti condizioni generali. Il venditore si riserva il diritto di accettare o rifiutare l'ordine ricevuto. Le offerte fatte da agenti, rappresentanti ed ausiliari del commercio del venditore non sono per lui impegnative fino a quando non siano confermate dal venditore stesso.

2. Prezzi

I prezzi indicati nel listino sono indicati in euro e ad essi deve essere applicata l'i.v.a. secondo l'aliquota in vigore al momento della fatturazione. Il venditore si riserva di modificare i prezzi, o variare il listino prezzi senza alcun preavviso.

3. Resa della merce

Salvo patto contrario, la fornitura dei prodotti si intende Franco Fabbrica del venditore: trasporto ed assicurazione sono pertanto a carico del compratore e ciò anche quando sia convenuto che la spedizione o parte di essa venga curata dal venditore, nel qual caso quest'ultimo agirà come mandatario del compratore, essendo inteso che il trasporto verrà effettuato a rischio del compratore.

I rischi relativi alla fornitura passano al compratore al momento in cui i prodotti lasciano lo stabilimento del venditore.

4. Termini di consegna

I termini di consegna indicati sulle conferme d'ordine, si intendono approssimativi a favore del venditore e comunque con un congruo margine di tolleranza.

È esclusa qualsiasi responsabilità del venditore per danni derivanti da anticipata, ritardata o mancata consegna, totale o parziale.

Il compratore è sempre tenuto a prendere in consegna i prodotti, anche in caso di consegne parziali e quando i prodotti vengano consegnati prima o successivamente alla data di consegna stabilita. Il termine di consegna verrà prorogato di un periodo pari a quello della durata dell'impedimento al verificarsi di cause di forza maggiore. In nessun caso, a causa del verificarsi di tali circostanze, il compratore potrà esigere compensi o indennizzi di qualsiasi natura.

5. Garanzia

Il venditore garantisce la conformità dei prodotti forniti; con il termine di conformità dei prodotti si intende che essi corrispondono per qualità, quantità e tipo a quanto stabilito nel contratto e che sono esenti da vizi che potrebbero renderli non idonei all'uso cui sono destinati. La garanzia per vizi è limitata ai soli difetti dei prodotti conseguenti a difetti di progettazione, di materiale o di

costruzione riconducibili al venditore, e non si applica nel caso in cui il compratore non abbia effettuato una corretta conservazione dei prodotti e li abbia modificati senza il consenso del venditore.

Il venditore non risponde dei difetti di conformità dei prodotti dovuti all'usura normale di quelle parti che, per loro natura sono soggette a usura rapida e continua. Per ogni altra precisazione si rimanda al libretto di garanzia presente nei nostri articoli.

6. Reclami

Il compratore è tenuto a verificare la conformità dei prodotti e l'assenza di vizi. I reclami relativi a non conformità dei prodotti forniti dovranno essere effettuati, a pena di decadenza, entro e non oltre cinque giorni dal ricevimento della merce a destino. I vizi, difetti o non conformità occulti devono essere denunciati immediatamente alla loro scoperta e comunque, a pena di decadenza, entro e non oltre i tre mesi dalla data di consegna. Tutti i reclami devono essere effettuati mediante lettera raccomandata indirizzata al venditore e devono indicare dettagliatamente i vizi e le non conformità contestate.

7. Rimedi

In caso di prodotti non conformi, e dopo aver ricevuto un rapporto dettagliato dal compratore, il venditore potrà, a sua insindacabile scelta:

- a) fornire gratuitamente Franco Fabbrica al compratore prodotti dello stesso genere e quantità di quelli risultanti difettosi o non conformi a quanto pattuito, dopo averne ottenuto la resa per la verifica. L'eventuale sostituzione effettuata prontamente dal venditore non può essere ritenuta un implicito riconoscimento dei vizi contestati. Qualora il venditore, in sede di verifica, non riconosca viziati i prodotti, provvederà alla fatturazione di quelli inviati in sostituzione; oppure
- b) emettere una nota di accredito a favore del compratore per un importo corrispondente al valore dei prodotti difettosi.

In entrambi i casi il venditore ha diritto alla restituzione dei prodotti difettosi, che diventano di sua proprietà.

8. Limitazione di responsabilità del venditore

Salvo dolo o colpa grave del venditore l'eventuale risarcimento di qualsiasi danno al compratore non potrà comunque superare il prezzo di fattura dei prodotti contestati.

9. Resi

I resi di merce da parte dei committenti dovranno sempre comunque essere autorizzati per iscritto dalla nostra sede. I resi preventivamente autorizzati devono giungere alla fornitrice franco magazzino di San Maurizio d'Opaglio in buon ordine e negli imballaggi originali. L'accredito per le merci rese sarà stilato ad avvenuta presa in carico del nostro magazzino e controllo. Danni ai prodotti ed agli imballaggi saranno defalcati dall'accredito.

10. Pagamento

I pagamenti ed ogni altra somma dovuta a qualsiasi titolo al venditore si intendono netti al suo domicilio. Qualsiasi ritardo o irregolarità nel pagamento da al venditore il diritto di sospendere le forniture o di risolvere contratti in corso, anche non relativi ai pagamenti in questione, nonché il diritto al risarcimento degli eventuali danni. Il venditore ha altresì il diritto a decorrere dalla scadenza del pagamento, agli interessi moratori nella misura stabilita in Italia dall'art. 5 del Decreto Legislativo 9 ottobre 2002 n. 231. Il ritardo nei pagamenti dà altresì al venditore il diritto di escludere la garanzia per tutto il periodo durante il quale il ritardo perdura.

11. Riserva di proprietà

I prodotti consegnati restano di proprietà del venditore sino al momento del completo pagamento del prezzo.

12. Legge applicabile e foro competente

Tutti i contratti disciplinati dalle presenti condizioni generali sono regolati dalla legge italiana. Per ogni controversia relativa o comunque collegata a contratti cui si applicano le presenti condizioni generali è escusivamente competente il foro del tribunale di Novara sezione distaccata di Borgomanero.

13. Importo minimo ordini

A causa della notevole incidenza dei costi amministrativi non saranno presi in considerazione ordini di importo inferiore a euro 100,00. Per ordini da euro 100,00 a euro 150,00 viene richiesto un contributo spese forfettario di euro 15,00 per ogni spedizione.

14. Immagini

Le illustrazioni del catalogo sono una rappresentazione di ogni articolo ma non costituiscono impegno di fedele esecuzione. L'azienda si riserva il diritto di effettuare modifiche sia tecniche che estetiche senza preavviso, come pure procedere alla eliminazione di singoli articoli o di serie complete.

This general conditions regulate all present and future sales contracts between the parties, subject to any exceptions specifically agreed upon in writing. Any general conditions of the purchaser will not apply to future contractual relations between the parties unless expressly accepted in writing by Mario Bongio srl.

1. Formation of the Contract

3. Delivery of the goods

Unless agreed to the contrary, the supply of the products has intended ex-factory: transport and insurance are therefore at the charge of the purchaser, this also when it has been decided that the delivery or part of it will be taken care of, by the seller, in which case the latest will act as the purchaser's agent, it being understood that the transport will be carried out at the expense and risk of the purchaser. The risks relative to the supply pass to the purchaser, at the latest at the time in which the products leave the seller's plant.

4. Delivery time of the goods

The delivery limits on the order confirmations are agreed approximately in favour of the seller and not binding for him. Any liability of the seller has excluded for damage deriving from anticipated, delayed or non delivery, total or partial.

The purchaser has always held to take delivery of the products, even in the case of partial deliveries and even when the products have been consigned before the established delivery date or successively to that date. The seller shall not be deemed to be in breach of this agreement, or otherwise be liable to the purchaser, by reason of any delay in delivery, to the extent that the delay is due to any Force Majeure, and the time for performance of delivery shall be extended accordingly.

5. Guarantee

The seller guarantees the compliance of the products supplied; the term compliance of the products means the products correspond in quality, quantity and type to what has been agreed in the contract and that they are without defects that could render them unfit for the use to which they are intended to be put. The guarantee against defects has limited only to product defects due to defects in planning, materials or construction that can be attributed to the seller, and it does not apply in the case where the purchaser is

unable to prove a correct preservation of the product and where he has modified them without the agreement of the seller. The seller is not liable for defects in product compliance due to the normal wear of those parts which, by nature, are subject to rapid and continuous wear and tear. See the warranty book enclosed in our packaging for other specifications.

6. Claims

The purchaser has to control the compliance of the products and the absence of flaws. Claims relevant to non-conformities of the goods must be made, on pain of forfeiture, within and not later than five days from the goods arrival at their place of destination. Hidden flaws, defect or non-compliances must be reported immediately after the discovery and in any event, on pain of forfeiture, not later than three months from the delivery date. Claims must be made by registered letter addressed to the seller and must describe in detail the flaws or disputed non-compliances.

7. Remedies

In case of faulty products and following to a report by the purchaser, the seller may at his discretion:

- a) supply ex-factory to the purchaser products of the same kind and quantity as those that proved not in compliance, on receiving returns for checking. Any replacement carried out promptly by the seller cannot be considered as implicit recognition of defects claimed: said recognition must always be explicit and following control by seller on goods challenged; should the seller, on controlling, find the goods in compliance, he will invoice for those sent in replacement; or
- b) issue to the purchaser a credit-note in the amount equal to the value of the defective products. In both cases the purchaser shall return the faulty products to the seller.

8. Limit of the seller's liability

Except in the case of fraud or gross negligence on the seller's part, compensation of any damage to the purchaser will not, in any event, be greater than invoice price of the disputed products.

9. Returned goods

The purchaser needs a written authorization from the seller to return the goods. The authorized returned goods will be free our warehouse in San Maurizio d'Opaglio. The credit note for the returned goods will be defined after the arrival and inspection of our quality / technical department. Damages to the products or to the packaging will be deducted from the credit note.

10. Payments

The payment and every other sum due to the seller, are understood as net at the registered office of the seller. Any delay or irregularity in the payment gives the seller the right to suspend the supply or to cancel the contract in case, even if they are not relevant to

the payments in question as well as the right to compensation for eventual damages. The seller has also the right – starting from the payment deadline – to interests for delay as per art. 5 of Italian Legislative Decree no. 231 of 09/10/2002. The delays of payment likewise give the seller the right to exclusion from guarantee, for the whole period that the delay may persist.

11. Retention of Title

The delivered products remain the seller's property until the moment of the complete payment of the price.

12. Applicable Law and Competent Law-Court

All Contracts ruled by these general conditions are submitted to Italian Law. For any controversy relative to, or connected to the contractual products to which this general conditions apply, court of Novara- branch of Borgomanero has exclusive competence; the latest, however, will have the opportunity to act also in the purchaser's Law-Court.

13. Minimum value for the order

Due to the growing administration cost orders under a value of 100,00 euros will not be taken into consideration. A contribution of a fixed amount of 15,00 euros will be charged on all the orders with a total value between 100,00 and 150,00 euros.

14. Images

Images of our catalogue are a representation of each item but they must not be considered as perfect reproductions. Our company keeps the right to make technical and aesthetical modifications without any previous communication, as well as the right to cancel from the production single items or complete series.
